

ALLIED SHIPPING & PACKAGING SUPPLIES

Your Partner from Design to Delivery

COMPANY OVERVIEW

ASAP has been designing custom solutions for “hard to package” manufactured items and supplying packaging products to minimize damage ratios through the shipping process for 35 years. We specialize in supporting the aerospace, automotive, distribution, electronic, medical devices, and retail industries by utilizing packaging design innovations. We offer our clients a long-term strategic partnership in design, product warehousing and vendor managed inventory.

CORPORATE CLIENTS

A sample of our corporate clients include:

- Accel, Inc.
- Amazon DC
- Cardinal Health
- Fuyao Glass
- General Electric (GE)
- Identity Systems
- Klockner Penderplast
- Schneider Electric
- Syncreon (GM)
- Tom Smith Ind. (Toyota)

Custom Packaging for the Automotive Industry

ASAP proposed a new packaging concept to solve damage to car radios that occurred during shipping. Upon approval from Honda Japan, we provided 1,400/Month for 4 Years with only one known damaged radio during that time.
