

ALLIED SHIPPING & PACKAGING SUPPLIES

Your Partner from Design to Delivery

COMPANY OVERVIEW

ASAP is a WBENC certified, woman-owned family business that has been designing custom solutions for "hard to package" manufactured items for over 40 years. We specialize in supplying packaging products to minimize damage ratios while supporting the aerospace, automotive, distribution, electronics, human tissue and blood, medical devices, and retail industries by utilizing packaging design innovations. We offer our clients a long-term strategic partnership in design, product warehousing and vendor managed inventory. We recently added a temperature monitoring division, Tempagenix LLC, and launched the first paper forehead thermometer, Temp-N-Toss.

CORPORATE CLIENTS

A sample of our corporate clients include:

- Amazon DC
- Cardinal Health
- Community Blood & Tissue
- Eastman Kodak Company
- Fuyao (GM, Chrysler, Ford)
- GE Aviation (Boeing)
- Medline Industries, Inc.
- Schneider Electric
- Tempagenix, LLC
- Tenneco - XNOX
- Tom Smith Ind. (Toyota)

Custom Packaging for the Automotive Industry

ASAP proposed a new packaging concept to solve damage to car radios during shipping. Upon approval from Honda Japan, we delivered 1,400/Month for 4 Years with only one known damaged radio during that time.
